

Melodic Minor Scales

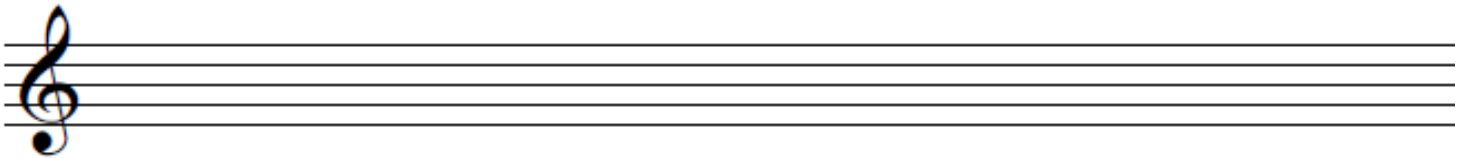

Using semibreves, write out the following Melodic Minor Scales for one octave (eight notes).

Don't forget to use a Key Signature where needed and any accidentals.

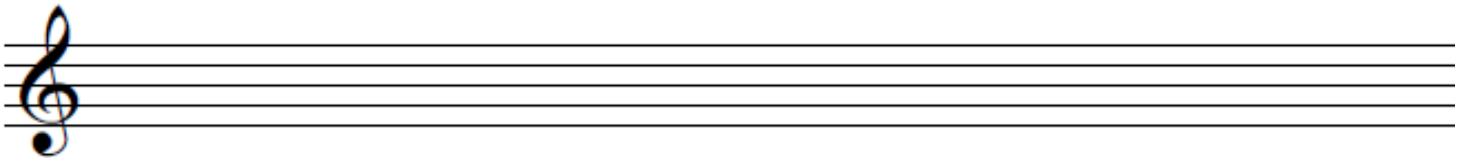

1. A Melodic Minor (ascending)

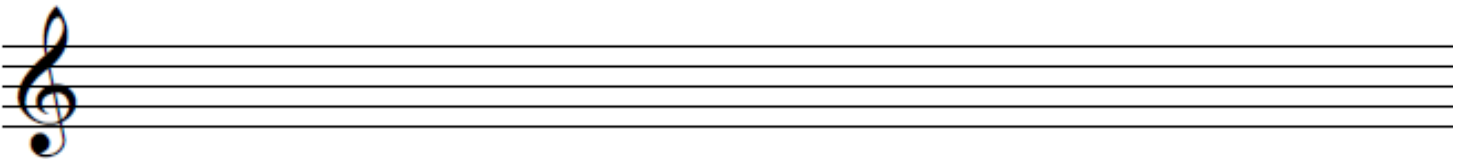

2. G Melodic Minor (descending)

3. D Melodic minor (descending)

4. F Melodic Minor (ascending)

5. C Sharp Melodic Minor (ascending and descending—THIS TIME USE CROTCHETS)
